

# What You Need to Know About the Gifford Pinchot National Forest MVUM

**Drive only on roads and trails displayed on the MVUM.** All other wheeled, motorized use is illegal.

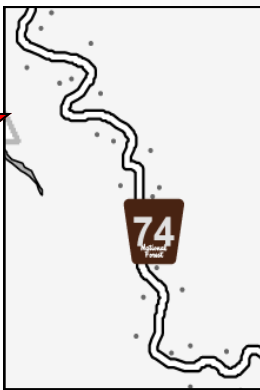

## Legend

- Roads Open to Highway Legal Vehicles
- ..... Trails Open to Wheeled Vehicles 50" or Less in Width
- ..... Trails Open to Motorcycles Only
- ..... Dispersed Camping (See table for DC information)
- ..... Seasonal Designation (See Table)

**Dispersed camping corridors on the MVUM:** Within 150 feet of some roads, it is legal to drive highway legal motor vehicles off of the designated road (on existing routes) to reach dispersed campsites. Visitors may not drive beyond 150 feet from the main road.

## MVUM Dispersed Camping Corridor Symbol

## Example

150' driving limit

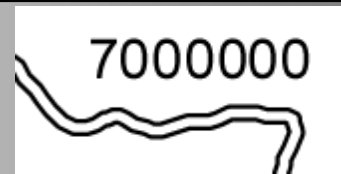

Forest Service Road

**Some roads do not allow motorized access to dispersed camps.**

Symbols indicate motorized access to dispersed camps is allowed

No symbols indicate motorized access to dispersed camps is NOT allowed. These roads are identified on tables starting on page 10.

**Drive only on existing routes with an established history of passenger use.**

Compacted soil or gravel

Route width more than 50 inches

"Existing Route"

**Do not create new routes.**

Vegetation

Soft Soil

Narrow Route

Not an "Existing Route"

**Do not drive in riparian areas.** Motor vehicle use off a forest road or trail for purposes of Dispersed Camping should be at least 100 feet from a stream, wetland, or other body of water.
